**NOTE.**—This statement is made up on the basis of the face value of the securities therein described as received by the United States, with due allowance for repayments. To the extent that the securities are not held in the custody of the Treasury, the statement is made up from reports received from other Government departments and establishments. The statement does not include securities which the United States holds as collateral or as the result of the investment of trust funds (as, for example, securities held for account of the Alien Property Custodian, the United States Government Life Insurance Fund, and other similar trust funds).

<sup>a</sup> Original amount (\$66,560,560.43) included bonds aggregating \$21,970,560.43 representing interest accruing and remaining unpaid during first 14 years, payment of which, under the Funding Agreement, is extended over the last 43 years.

<sup>b</sup> The figures do not include interest accrued and unpaid.

<sup>c</sup> This amount does not include securities purchased by the Director General of Railroads under the provisions of Section 12 of the Federal Control Act, approved March 21, 1918.

<sup>d</sup> The notes are in series, which mature, respectively, on the 15th day of January in various years up to 1935.
